Business Rebuilding and Façade Improvements Grant Program *Application Instructions*

If you have any questions, please contact the Refugio County Community Development Foundation at (361) 526-2011 or rccdf@refugiocounty.org

The Business Rebuilding and Façade Improvement Grant Program is available to property owners per building/business, and in some situations, tenants, of storefronts, commercial buildings, and commercial residential buildings. **Grants are capped at \$2,500 and do not require any matching funds.** The RCCDF reserves the right to alter this cap at its sole discretion. Business Rebuilding and Façade Grant funds focus on non-temporary repairs to exterior walls and roof; interior ceiling and walls, including, but not limited to, items such as reconstruction, renovation, windows, doors, drywall and painting.

The attached Grant Application and Agreement must be submitted with requested support documents to the RCCDF for review prior to any grant funded work being initiated.

I. Grant Application Process

1. Determine Eligibility: Discuss plans with a representative from the Refugio County Community Development Foundation.
2. Consult with a Business Advisor from the UHV - Small Business Development Center.
3. Complete the Business Rebuilding and Façade Improvement Grant Program Application, Landlord Form (if tenant), and Guidelines with copy of cost estimates.
4. Submit photos and any project plans of any work to be conducted for which you are seeking funds.
5. The approval process will include the following elements:
 - a) All Business Rebuilding and Façade Grant projects must meet current building standards and codes, as well as building permit requirements.

- b) The Historic Review Board shall be an advisory board to the RCCDF, and shall make recommendations regarding the approval of Business Rebuilding and Façade Improvement Grant requests, as needed.
- c) Applications will be considered by the RCCDF, or its designee, on specified dates (“Consideration Dates”) set by the RCCDF. Applications and all required attachments must be submitted a minimum of five (5) days before the consideration date. Approval from the Historic Review Board, if applicable, must be provided with the application. *Consideration of applications may be delayed in the event the RCCDF, or its designee, fails to seat a quorum for a Consideration Date meeting, elects for any reason not to hold a meeting, or elects for any reason not to consider Applications at a particular meeting.*
- d) The RCCDF shall consider only Applications which have been properly and fully completed and which contain all information required in the Application. Applicants will be notified of the RCCDF’s decision within 30 days from submission of a complete grant application including all required documentation.
- e) All construction proposals and/or cost estimates submitted by an Applicant must be current and must be dated no earlier than ninety (90) days prior to the Application request.
- f) An Applicant who submits an Application that was denied by the RCCDF shall not be eligible to re-submit a Grant Application for six (6) months from the date the prior Application was denied.
- g) Notwithstanding anything stated in this Application to the contrary, final approval for any Grant shall be vested in the Refugio County Community Development Foundation, or its designee, at its sole discretion. The RCCDF, or its designee, shall recommend Grant awards taking into consideration the Grant amount requested, Grant funds available, the Grant program objectives, condition of the building in which the Grant funds will be used, effectiveness of the construction, other Grant requests, the type and nature of the construction, and the proposed construction results considering the Grant program.
- h) No Applicant has a proprietary right to receive Grant funds. The RCCDF, or its designee, shall consider any Application within its discretionary authority to determine what Grant amount would be in the best interest of the Grant Program. The review criteria may include, but shall not be limited to, compatibility with existing downtown structures, architectural design, streetscape objectives, and overall rebuilding/redevelopment of Refugio County. The RCCDF, or its designee, reserves the right to utilize whatever outside resources it deems necessary for assistance in its decision-making process.
- i) The Applicant shall be required to furnish photographs of the building’s exterior, and interior if applicable, as part of the Application request and also after the construction is completed, as a condition of any Grant reimbursement or work completed draw.

- j) Applicants who are owners of multiple businesses shall be allowed only one Application per business during a Funding Cycle (October 1st – September 30th). Applicants are allowed to submit applications for multiple businesses under this Business Rebuilding and Façade Grant Improvement program.
